

## Sermon of the Month Membership

Pastor, if you're going to lead your church in the 21st Century, you can't afford to waste time, which is your most valuable personal resource. This includes wasting time on unclear sermon preparation.

If you are struggling to prepare weekly sermons, it is most likely because you have a knowledge problem on how to do it. Simply, you don't know how to prepare life-changing sermons. Sermon of the Month provides sermons for you, which gives you an opportunity to download prepared sermons each month.

Can you imagine having immediate help in preparing your sermons at your disposal, especially when you seem to have a mental block on how to put it all together. In other words, we have written the sermons for you. You can use your own creativity to generate new content and add or delete content. You will restore so much of your personal time using this resource.

JOIN ME and the SERMON OF THE MONTH MEMBERSHIP as we discuss topics that will improve your sermon preparation and free your time. Dr. Smalley will lead the discussion, based on what she has learned about these topics. Members of the group will share input on what they have found most impactful. Join us for this REAL DISCUSSION on how we can make things better for ourselves regarding sermon preparation and freeing our time.

Do it TODAY! Your investment is only \$99 monthly (for a limited time only \$49) to get the sermon preparation support you need and buy back your time for other things!
